## INDEPENDENT AUDITOR'S REPORT

### Report on the Financial Statements

I have audited the accompanying financial statements of Toledo Seagate Foodbank, Inc. (a nonprofit organization) which comprise the statement of financial position as of September 30, 2021, and the related statements of activities, functional expenses, and cash flows for the fiscal year then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Toledo Seagate Foodbank, Inc. as of September 30, 2021, and the changes in its net assets and its cash flows for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

**Other Matters****Other Information**

My audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

The schedule of functional expenses is presented for purposes of additional analysis and is not a required part of the financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is also not a required part of the financial statements.

**Other Reporting Required by Government Auditing Standards**

In accordance with Government Auditing Standards, I have also issued my report dated May 15, 2021, on my consideration of Toledo Seagate Foodbank, Inc.'s internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Toledo Seagate Foodbank, Inc.'s internal control over financial reporting and compliance.

## NOTES TO FINANCIAL STATEMENTS

### Note 1: **ORGANIZATION**

ORGANIZATION - The Toledo Seagate Foodbank (Organization) has been granted the status as a non-profit Corporation in the State of Ohio and 5739.02 (B)(12) of the Ohio Revised Code. The Organization was formed primarily for the purpose of charitable distribution of food for the needy.

NATURE OF BUSINESS - Toledo Seagate Foodbank activities include providing food and other products to those who are in need of food in Northwest Ohio. The Organization also provides outreach services, nutrition education and assistance to those in need.

### Note 2: **SIGNIFICANT ACCOUNTING POLICIES**

BASIS OF ACCOUNTING - The financial statements of Toledo Seagate Foodbank have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

DEFERRED REVENUE - Income from grants is deferred and recognized over the periods to which the grants earned.

EXPENDITURE ALLOCATION - Expenditures are charged to programs and supporting services on the basis of periodic time and expenditure studies. Management and general expenditures include those expenditures that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

INCOME TAX STATUS - Toledo Seagate Foodbank is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. However, income from certain activities not directly related to the Organization's tax exempt purpose is subject to taxation as unrelated business income. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a)(2).

**TOLEDO SEAGATE FOODBANK**  
**NOTES TO FINANCIAL STATEMENTS**

Note 2: **SIGNIFICANT ACCOUNTING POLICIES** (cont'd)

INCOME TAX STATUS (cont'd) Management of the Organization is required to determine whether a tax position of the Organization is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any related appeals or litigation processes, based on the technical merits of the position. Management of the organization is not aware of any tax positions for which it is reasonably possible that the total amounts of the unrecognized tax benefits will significantly change in the next twelve months. However, management's conclusions may be subject to review and adjustment at a later date based on factors including, but not limited to , new tax laws, regulations, and administrative interpretations (including relevant court decisions). Toledo Seagate Foodbank's federal tax returns for the prior three fiscal years remain subject to examination by the Internal Revenue Service.

DONATED GOODS - A number of Companies, Individuals and Organizations have contributed significant goods to the Organization. The value of these goods are determined at a weighted average price per pound of goods donated. (\$1,611,045). The financial statements do reflect a substantial portion of their value, since these goods are integral to the Organization fulfilling it's mission statement. Those goods donated that are missed would represent an immaterial portion with regard to the financial statements taken as a whole.

DONATED SERVICES - A number of people have contributed significant amounts of time to the activities of the Organization without compensation. The financial statements do reflect a substantial portion of their value (\$26,725 or 1,076 hours), since their services are integral to the Organization fulfilling it's mission statement. The value is based upon the "National Value of Volunteer Time" for the State of Ohio at the rate of \$24.83. The youth groups that donated time were valued at 49% of the Ohio rate in which it would be consistent with all of the National determination for Youth time values.

**NOTES TO FINANCIAL STATEMENTS**

Note 2: **SIGNIFICANT ACCOUNTING POLICIES**(cont'd)

DONATED PROPERTY AND EQUIPMENT - Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time. Property and equipment is depreciated using the straight line method.

FUND ACCOUNTING - In order to ensure observance of limitations and restrictions placed on the resources available to the Corporation, the internal accounts of the Organization are maintained on accordance with principles of fund accounting. This is the procedure by which resources are classified for accounting and reporting purposes into funds that are in accordance with the activities or objectives specified. Restricted funds maintained by the Organization and their objectives are as follows:

Community Development Block Grant (Toledo Subrecipient for Years 46 & 47) - Operating Grant used for the acquisition of food for the distribution for indigent households.

Ohio Department of Agriculture - Operating grant and Food distribution grant for operating expenditures and food distribution to those eligible.

ESTIMATES - Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

**NOTES TO FINANCIAL STATEMENTS**

Note 2: **SIGNIFICANT ACCOUNTING POLICIES**(cont'd)

UNCONDITIONAL PROMISES TO GIVE - The unconditional promises to give outstanding are to be received within one year period. The following are the unconditional promises to give as of September 30, 2021 and are treated as Grants awarded and deferred revenue on the financial statements. Department of Agriculture \$1,222,648; and Community Development Block Grant (CDBG) \$47,500; totaling \$1,270,148.

RESTRICTED AND UNRESTRICTED REVENUE - Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in Net Assets with Donor Restrictions column. When a restriction expires, Net Assets with Donor Restrictions are reclassified to Net Assets without Donor Restrictions and is reported in the Statement of Activities as net assets released from restrictions.

CONDITIONAL PROMISES TO GIVE - Conditional Promises to give, which depend on the occurrence of a specified future and certain event to bind the promisor, shall be recognized when the conditions on which they depend are substantially met, that is, when the conditional promise becomes unconditional.

RECENT ACCOUNTING PRONOUNCEMENTS - In August 2016, FASB issued ASU 2016-14, Not-for-Profit Entities (Topic 958), Presentation of Financial Statements of Not-for-Profit Entities. The amendments in this ASU make certain improvements that address many, but not all, of the identified issues about the current financial reporting for Not-for-Profit (NFP) entities. Under the new guidance, financial statements and noted disclosure requirements for NFP entities include the following:

1. Present on the face of the statements of financial position net assets with and without donor restrictions.

**TOLEDO SEAGATE FOODBANK**  
**NOTES TO FINANCIAL STATEMENTS**

Page 5

Note 2: **SIGNIFICANT ACCOUNTING POLICIES**(cont'd)

2. Present on the statements of activities additional operation measures.
3. Present on the statements of activities investment return, net of external and internal investment expenses.
4. Continue to present on the face of the statement of cash flows the net amount for operating cash flows using either the direct or indirect method of reporting but no longer require the presentation or disclosure of the indirect method (reconciliation) if using the direct method.
5. Enhanced disclosures that provide quantitative and qualitative information about liquidity management.
6. Enhanced disclosures that provide information on allocation of functionalized expenses.

The amendments in ASU-2016-14 are effective for the Organization beginning on January 1, 2021, with early adoption permitted. Management has elected to early adopt this standard for the fiscal year ended September 30, 2019 and has determined that the effects of adopting this ASU are not material to its financial statements.

The fiscal year 2021 financial statements have been adjusted to reflect retrospective application of the new accounting guidance, except for the disclosures around liquidity and availability of resources and analysis of expenses by functional and natural categories. These disclosures have been presented for 2021 as allowed by ASU No. 2016-14.

Note 3: **LIQUIDITY AND AVAILABILITY**

The Organization has a goal to maintain financial assets, which consist of cash and short-term investments, on hand to meet 90 days of normal operating expenses, which are, on average, approximately \$600,000. The Organization has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

**TOLEDO SEAGATE FOODBANK**  
**NOTES TO FINANCIAL STATEMENTS**

Page 6

Note 3: **LIQUIDITY AND AVAILABILITY** (cont'd)

SHORT TERM ASSETS - The Organization has \$2,284,110 of short term financial assets available within one year of the financial position date to meet cash needs for general expenditure consisting of cash of \$1,786,154, contribution pledge receivable of \$0, and accounts receivable of \$497,956. None of the financial assets are subject to donor or other contractual restrictions that make them unavailable for general expenditure within one year of the financial position date. The contribution receivables are subject to implied time restrictions but are expected to be collected within one year.

LONG TERM ASSETS - The Organization owns real property consisting primarily warehouse space in one building and a mixture of warehouse and office space in the other. Three modulars are utilized for the various programs of the Organization.

LINE OF CREDIT - As part of its liquidity management, the Organization has no plans to secure a line of credit at this time. These additional funds could be available in the event of an any unanticipated liquidity needs. The Organization could also invest any cash in excess of daily requirements into interest bearing bank accounts or investments, in which it does. The Organization also plans to invest cash in excess of daily requirements in other short-term investments including certificates of deposit and short-term treasury instruments.

ENDOWMENTS - The Center does not have an endowment fund at this time. No appropriations for the endowment will be available during the next 12 months

Note 4: **ADVERTISING**

ADVERTISING - All advertising costs are expended in the year in which incurred and no amounts have not been capitalized.

**TOLEDO SEAGATE FOODBANK**  
**NOTES TO FINANCIAL STATEMENTS**

Page 7

**Note 5: ACCOUNTING CHANGE**

The Organization has chosen to adopt FASB ASC 958 et. seq. One fiscal year early which is permitted by the AICPA guidelines. The adoption period is for fiscal/calendar years beginning after December 15, 2018. These financial statement cover the periods from October 1, 2019 through September 30, 2021, which is the required period, though the Organization elected to adopt early this provision.

**BASIS OF PRESENTATION** - The financial statements of the Organization have been prepared on the accrual basis of accounting. The Organization adopted Topic 958 2016-14 *Presentation of Financial Statements of Non-Profit Entities* which reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restriction and net assets with donor restriction.

**Net Assets Without Donor Restrictions** - Net assets that are not subject to or are no longer subject to donor-imposed stipulations.

**Net Assets With Donor Restriction** - Net assets whose use is limited by donor-imposed time and/or purpose restrictions.

**Note 6: INVENTORY**

Substantially all of the Organization's inventory is either distributed or donated. Distributions from the Department of Agriculture amounted to \$6,525,069. An additional \$1,637,567 was donated through various food drives, area merchants and distributors. In relationship to the acquisition of inventory distributed, \$88,024 was purchased.

**TOLEDO SEAGATE FOODBANK**  
**NOTES TO FINANCIAL STATEMENTS**

Page 8

Note 6: **INVENTORY** (cont'd)

Inventories are stated at the lower of cost or net realizable value. These values were determined by both the retail cost method and the first-in, first-out method. The inventories that was distributed by the department of Agriculture (\$1,290,325) are computed on the first-in, first-out method. The inventories donated (\$179,021) were computed by the gross profit method.

Note 7: **PROPERTY AND EQUIPMENT**

The Property, Plant and Equipment for the organization are generally purchased with unrestricted net assets. Some of these assets are leased/purchased using restricted funding. Even though the funding agency may have the right to reclaim any assets so purchased with restricted funds, the funding agency treats leased assets as sunk costs. Since the Organization negotiates a favorable lease arrangement, the funding agency usually does not interfere with that arrangement.

Expenditures for property, equipment, and improvements are capitalized at cost. Equipment expenditures of \$1,000 or less are charged to expense. Ordinary repairs and maintenance are charged to expense when incurred. Donated assets are capitalized, and recorded as support, at their fair value at the date of receipt. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use, and contributions of cash that must be used to acquire property and equipment, are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time.

**Note 9: BOARD IMPOSED RESTRICTIONS**

The Capital Projects Fund is properly classified as a Restriction on Net Assets in the amount of \$2,762. There were no outstanding debts on this restriction. These funds were utilized for the completion of any current and/or future Capital Projects for the Organization.

**Note 10: THIRD PARTY REIMBURSEMENTS**

The Organization receives funding from the City of Toledo Department of Housing and Neighborhood Revitalization which is directly funded by federal Community Development Block Grant monies, through the Department of Housing and Urban Development. In 2021, less than 0.329% of the total Organization's funding was through this program. This grant is awarded on an annual basis and not automatically renewed each year.

**Note 11: INVESTMENT SECURITIES**

The Organization adopted ASC 320, Accounting for Certain Investments Held by Non-Profit Organizations. Note 11: INVESTMENT SECURITIES (cont'd)

The Organization also adopted ASC 820, *Fair Value Measurements*. Under ASC 820, the establishment of a fair value hierarchy divided into three levels. As described below:

- |         |  |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.  |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none"><li>▶ Quoted prices for similar assets or liabilities in active markets;</li><li>▶ Quoted prices for identical or similar assets or liabilities in inactive markets;</li><li>▶ Inputs other than quoted prices that are observable for the asset or liability</li><li>▶ Inputs that are derived principally from or corroborated by observable market data by correlation or other means.</li></ul> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement.  |

Following is a description of the valuation methodologies used for Investments measured at fair value. There have been no changes in the methodologies used at September 30, 2021

*Common stocks, corporate bonds and U.S. government securities:* Valued at the closing price reported on the active market on which the individual securities are traded.

Note 11: INVESTMENT SECURITIES (cont'd)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level within the fair value hierarchy, the Organization's assets at fair value as of September 30, 2021:

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Board of Trustees  
Toledo Seagate Foodbank, Inc.  
526 High St..  
Toledo, Ohio 43609

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Toledo Seagate Foodbank, Inc. (a nonprofit organization), which comprise the statement of financial position as of September 30, 2021, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated April 26, 2022.

**Internal Control over Financial Reporting**

In planning and performing my audit of the financial statements, I considered Toledo Seagate Foodbank, Inc's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Toledo Seagate Foodbank, Inc's internal control. Accordingly, I do not express an opinion on the effectiveness of Toledo Seagate Foodbank, Inc's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Toledo Seagate Foodbank, Inc.  
REPORT ON COMPLIANCE AND ON INTERNAL  
CONTROL OVER FINANCIAL REPORTING

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Toledo Seagate Foodbank, Inc.'s financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

I have audited Toledo Seagate Foodbank, Inc's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Toledo Seagate Foodbank, Inc's major federal programs for the fiscal year ended September 30, 2021. Toledo Seagate Foodbank, Inc's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

### Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

### Auditor's Responsibility

My responsibility is to express an opinion on compliance for each of Toledo Seagate Foodbank, Inc's major federal programs based on my audit of the types of compliance requirements referred to above. I conducted my audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that I plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Toledo Seagate Foodbank, Inc's compliance with those requirements and performing such other procedures as I considered necessary in the circumstances.

Toledo Seagate Foodbank, Inc.  
REPORT ON COMPLIANCE AND ON INTERNAL  
CONTROL OVER FINANCIAL REPORTING

I believe that my audit provides a reasonable basis for my opinion on compliance for each major federal program. However, my audit does not provide a legal determination of Toledo Seagate Foodbank, Inc's compliance.

**Opinion on Each Major Federal Program**

In my opinion, Toledo Seagate Foodbank, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2021.

**Report on Internal Control Over Compliance**

Management of Toledo Seagate Foodbank, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing my audit of compliance, I considered Toledo Seagate Foodbank, Inc's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, I do not express an opinion on the effectiveness of Toledo Seagate Foodbank, Inc's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.
