SeaGate Food Bank distributes more than 15 million pounds of food each year at no cost to individuals and families across Northwest Ohio. The need continues to grow, and community support is critical to sustaining this work. Proceeds from this year's Scramble will help us continue working to eliminate hunger, improve nutrition, and enhance quality of life throughout our region.

We need strong partners to make this event a success. Your sponsorship or participation directly supports our mission and demonstrates your commitment to the community we all serve.
